To My Love Ones

Your Hearts may be heavy and aching
Now that I'm no longer here.
But, though you may shed many tears,
Let memories banish your fear.

My arms are no longer around you.
My lips cannot speak of my love.
But, I'm with you in spirit each day,
As I look down from Heaven above.

The house may be silent without me.
It doesn't mean I can't be there.
And, every night that you sleep,
Our love, in your dreams, we will share.

As you continue alone on earth,
I'll be with you each step of the way.
I can still be the strength that you need,
To carry you through each new day.

Although, I know you can't see me,
Our spirits are joined as before.
So, whenever you feel uplifted,
Know it's me just loving you more.

In Heaven, we're given a gift
To still tend to the ones left behind.
So, smile when you think of me.
I remain in your heart and your mind.

Perhaps you sent a floral piece if so we saw it there,

Behold I show you a mystery; we shall not all sleep, but we shall all be changed in a moment, in the twinkling of an eye, at the last trumpet; for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed.
